

Founded in 2002, our Youth Leadership Conferences offer four jam-packed days of unforgettable activities, speakers, historic tours, and fun.

Students will learn from several historic leaders whose great helped leadership established our country and helped define our freedoms.

They will also see how these leaders built our nation during tours of **Historic Jamestowne, the Jamestown Settlement, Colonial Williamsburg, and the Yorktown Victory Center and Battlefields.**

Students will meet current business, civic, and military leaders who are molding America.

The students will be able to develop their leadership skills in a number of challenging and fun activities.
